# REPORT

OF THE

## Twentieth Annual Meeting (ADJOURNED)

OF THE

## Anti-Imperialist League

FEBRUARY 17, 1919

PUBLISHED BY  
THE ANTI-IMPERIALIST LEAGUE  
BOSTON

President Wilson is committed to it, when Governor Harrison is here to plead for them, and to testify to their fitness for self-government from the most intimate knowledge and the most recent experience, it behooves the Filipinos to speak for their own freedom. Now is the accepted time. Their case is clear, and delays are dangerous. When the world is in solution much is easy which becomes difficult when conditions become fixed. As citizens of the United States anxious for its standing and its future, as friends of the Filipinos sincerely desirous to see them free, we urge them to act promptly, boldly, persistently, until the Philippine Republic takes its place among the nations of the world.

## DOCUMENTS

Copies of two tracts were distributed at the door.

"THE PHILIPPINES AND SELF-DETERMINATION."

"TWENTY YEARS' WATCH ON THE PHILIPPINES."

## RESOLUTION

The following motion offered by David Greene Haskins, Jr., Esq., and seconded by the Hon. Albion A. Perry was passed unanimously:

Resolved,

That the Anti-Imperialist League desires to express its extreme regret at the absence of its honored and beloved secretary, Mr. Winslow, and its hope that the League will not, at its annual meeting next year, be forced to play Hamlet, with the part of Hamlet left out.
